| Kategorie                | Kits/Assays                                                                                                                                                                                                                                                   |
| Applikation              | ELISA                                                                                                                                                                                                                                                         |
| Spezies Reaktivität      | Mouse                                                                                                                                                                                                                                                         |
| Produktbeschreibung      | Mouse Adenosine A2b Receptor/ADORA2B ELISA Kit is a sandwich Enzyme-Linked Immunosorbent Assay (sELISA) designed for the in vitro quantitative determination of mouse Adenosine A2b Receptor/ADORA2B in tissue homogenates, cell lysates or other biologic... |
| Detektionsbereich        | 78.1-5000 pg/ml                                                                                                                                                                                                                                               |
| Sensitivitaet            | 30 pg/ml                                                                                                                                                                                                                                                      |
| Proben                   | Tissue homogenates, cell lysates or other biological fluids.                                                                                                                                                                                                  |
| Target-Kategorie         | Adenosine A2b Receptor/ADORA2B                                                                                                                                                                                                                                |
