## Product Datasheet

### **Anti-CDKN2A/p16INK4A Antibody - Identical to Abcam (ab95473) and Novus (NBP1-68833), Unconjugated, Goat, Polyclonal ABC-A82526-100**

|                          |                                                                                                                     |

| Artikelname              | Anti-CDKN2A/p16INK4A Antibody - Identical to Abcam (ab95473) and Novus (NBP1-68833), Unconjugated, Goat, Polyclonal |
| Artikelnummer            | ABC-A82526-100                                                                                                      |
| Hersteller Artikelnummer | A82526-100                                                                                                          |
| Alternativnummer         | ABC-A82526-100                                                                                                      |
| Hersteller               | Antibodies.com                                                                                                      |
| Wirt                     | Goat                                                                                                                |
| Kategorie                | Antikörper                                                                                                          |
| Applikation              | ELISA, WB                                                                                                           |
| Spezies Reaktivität      | Human                                                                                                               |
| Immunogen                | Synthetic peptide corresponding to the internal region of human CDKN2A/p16INK4A (Isoform 3).                        |
| Konjugation              | Unconjugated                                                                                                        |
| Produktbeschreibung      | Goat polyclonal antibody to CDKN2A/p16INK4A....                                                                     |
| Klonalität               | Polyclonal                                                                                                          |
| Konzentration            | 500 µg/ml                                                                                                           |
| Molekulargewicht         | 17 kDa                                                                                                              |

|                        |                                                                                 |
|------------------------|---------------------------------------------------------------------------------|
| Puffer                 | Supplied in Tris Buffered Saline, pH 7.3, with 0.5% BSA and 0.02% Sodium Azide. |
| Formulierung           | Liquid                                                                          |
| Sequenz                | C-ILRKKGRLPGEFSE                                                                |
| Target-Kategorie       | CDKN2A/p16INK4A                                                                 |
| Antibody Type          | Primary Antibody                                                                |
| Application Verdünnung | ELISA: 1:128,000, WB: 1-3µg/ml                                                  |
