| Artikelname              | Anti-5HT7 Receptor Antibody - Identical to Novus (NBP1-44051) and Thermo (PA5-19124), Unconjugated, Goat, Polyclonal |
| Artikelnummer            | ABC-A82640-10                                                                                                        |
| Hersteller Artikelnummer | A82640-10                                                                                                            |
| Alternativnummer         | ABC-A82640-10                                                                                                        |
| Hersteller               | Antibodies.com                                                                                                       |
| Wirt                     | Goat                                                                                                                 |
| Kategorie                | Antikörper                                                                                                           |
| Applikation              | ELISA, WB                                                                                                            |
| Spezies Reaktivität      | Human                                                                                                                |
| Immunogen                | Synthetic peptide corresponding to the C terminal region of human 5HT7 Receptor.                                     |
| Konjugation              | Unconjugated                                                                                                         |
| Produktbeschreibung      | Goat polyclonal antibody to 5HT7 Receptor....                                                                        |
| Klonalität               | Polyclonal                                                                                                           |
| Konzentration            | 500 µg/ml                                                                                                            |
| Molekulargewicht         | 50 kDa                                                                                                               |

|                        |                                                                                 |
|------------------------|---------------------------------------------------------------------------------|
| Puffer                 | Supplied in Tris Buffered Saline, pH 7.3, with 0.5% BSA and 0.02% Sodium Azide. |
| Formulierung           | Liquid                                                                          |
| Sequenz                | QNADYCRKKGHDS                                                                   |
| Target-Kategorie       | 5HT7 Receptor                                                                   |
| Antibody Type          | Primary Antibody                                                                |
| Application Verdünnung | ELISA: 1:16,000, WB: 1-3µg/ml                                                   |
