| Artikelname              | Anti-PRODH Antibody - Identical to Abcam (ab126856) and Novus (NBP2-26205), Unconjugated, Goat, Polyclonal |
| Artikelnummer            | ABC-A82793-10                                                                                              |
| Hersteller Artikelnummer | A82793-10                                                                                                  |
| Alternativnummer         | ABC-A82793-10                                                                                              |
| Hersteller               | Antibodies.com                                                                                             |
| Wirt                     | Goat                                                                                                       |
| Kategorie                | Antikörper                                                                                                 |
| Applikation              | ELISA, WB                                                                                                  |
| Spezies Reaktivität      | Human                                                                                                      |
| Immunogen                | Synthetic peptide corresponding to the internal region, amino acids 112-134, of human PRODH.               |
| Konjugation              | Unconjugated                                                                                               |
| Produktbeschreibung      | Goat polyclonal antibody to PRODH....                                                                      |
| Klonalität               | Polyclonal                                                                                                 |
| Konzentration            | 500 µg/ml                                                                                                  |
| Molekulargewicht         | 75+55 kDa                                                                                                  |

|                        |                                                                                 |
|------------------------|---------------------------------------------------------------------------------|
| Puffer                 | Supplied in Tris Buffered Saline, pH 7.3, with 0.5% BSA and 0.02% Sodium Azide. |
| Formulierung           | Liquid                                                                          |
| Sequenz                | C-EDQESIQPLLRHYR                                                                |
| Target-Kategorie       | PRODH                                                                           |
| Antibody Type          | Primary Antibody                                                                |
| Application Verdünnung | ELISA: 1:16,000, WB: 0.3-1µg/ml                                                 |
