## Product Datasheet

### **Anti-Amino-Terminal Enhancer of Split/AES Antibody - Identical to Abcam (ab166789), Unconjugated, Goat, Polyclonal ABC-A83048-100**

|                          |                                                                                                                    |
|--------------------------|--------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-Amino-Terminal Enhancer of Split/AES Antibody - Identical to Abcam (ab166789), Unconjugated, Goat, Polyclonal |
| Artikelnummer            | ABC-A83048-100                                                                                                     |
| Hersteller Artikelnummer | A83048-100                                                                                                         |
| Alternativnummer         | ABC-A83048-100                                                                                                     |
| Hersteller               | Antibodies.com                                                                                                     |
| Wirt                     | Goat                                                                                                               |
| Kategorie                | Antikörper                                                                                                         |
| Applikation              | ELISA, IHC, WB                                                                                                     |
| Spezies Reaktivität      | Human                                                                                                              |
| Immunogen                | Synthetic peptide corresponding to the N terminal region of human Amino-Terminal Enhancer of Split/AES.            |
| Konjugation              | Unconjugated                                                                                                       |
| Produktbeschreibung      | Goat polyclonal antibody to Amino-Terminal Enhancer of Split/AES....                                               |
| Klonalität               | Polyclonal                                                                                                         |
| Konzentration            | 500 µg/ml                                                                                                          |
| Molekulargewicht         | 30 kDa                                                                                                             |

|                        |                                                                                 |
|------------------------|---------------------------------------------------------------------------------|
| Puffer                 | Supplied in Tris Buffered Saline, pH 7.3, with 0.5% BSA and 0.02% Sodium Azide. |
| Formulierung           | Liquid                                                                          |
| Sequenz                | SHLPQQLKFTTSD-C                                                                 |
| Target-Kategorie       | Amino-Terminal Enhancer of Split/AES                                            |
| Antibody Type          | Primary Antibody                                                                |
| Application Verdünnung | ELISA: 1:64,000, WB: 0.3-1µg/ml, IHC: 3.75µg/ml                                 |
