## Product Datasheet

### **Anti-Aryl Hydrocarbon Receptor Antibody - Identical to Novus (NBP2-26264), Unconjugated, Goat, Polyclonal ABC-A85074-100**

|                          |                                                                                                                  |

| Artikelname              | Anti-Aryl Hydrocarbon Receptor Antibody - Identical to Novus (NBP2-26264), Unconjugated, Goat, Polyclonal        |
| Artikelnummer            | ABC-A85074-100                                                                                                   |
| Hersteller Artikelnummer | A85074-100                                                                                                       |
| Alternativnummer         | ABC-A85074-100                                                                                                   |
| Hersteller               | Antibodies.com                                                                                                   |
| Wirt                     | Goat                                                                                                             |
| Kategorie                | Antikörper                                                                                                       |
| Applikation              | ELISA, WB                                                                                                        |
| Spezies Reaktivität      | Human                                                                                                            |
| Immunogen                | Synthetic peptide corresponding to the internal region, amino acids 749-763, of human Aryl Hydrocarbon Receptor. |
| Konjugation              | Unconjugated                                                                                                     |
| Produktbeschreibung      | Goat polyclonal antibody to Aryl Hydrocarbon Receptor....                                                        |
| Klonalität               | Polyclonal                                                                                                       |
| Konzentration            | 500 µg/ml                                                                                                        |
| Molekulargewicht         | 100 kDa                                                                                                          |

|                        |                                                                                 |
|------------------------|---------------------------------------------------------------------------------|
| Puffer                 | Supplied in Tris Buffered Saline, pH 7.3, with 0.5% BSA and 0.02% Sodium Azide. |
| Formulierung           | Liquid                                                                          |
| Sequenz                | C-KHGLNPQSAITPQT                                                                |
| Target-Kategorie       | Aryl Hydrocarbon Receptor                                                       |
| Antibody Type          | Primary Antibody                                                                |
| Application Verdünnung | ELISA: 1:128,000, WB: 0.2-0.5µg/ml                                              |
