## Product Datasheet

### **Anti-mCherry Antibody - Identical to Abcam (ab205402), Unconjugated, Gallus, Polyclonal ABC-A85304-100**

|                          |                                                                                         |
|--------------------------|-----------------------------------------------------------------------------------------|
| Artikelname              | Anti-mCherry Antibody - Identical to Abcam (ab205402), Unconjugated, Gallus, Polyclonal |
| Artikelnummer            | ABC-A85304-100                                                                          |
| Hersteller Artikelnummer | A85304-100                                                                              |
| Alternativnummer         | ABC-A85304-100                                                                          |
| Hersteller               | Antibodies.com                                                                          |
| Wirt                     | Gallus                                                                                  |
| Kategorie                | Antikörper                                                                              |
| Applikation              | ICC, IHC, WB                                                                            |
| Immunogen                | Recombinant full-length mCherry, expressed in and purified from E. coli.                |
| Konjugation              | Unconjugated                                                                            |
| Produktbeschreibung      | Chicken polyclonal antibody to mCherry....                                              |
| Klonalität               | Polyclonal                                                                              |
| Molekulargewicht         | ~28 kDa                                                                                 |
| Puffer                   | Supplied as an aliquot of IgY preparation with 0.02% Sodium Azide.                      |
| Reinheit                 | IgY preparation.                                                                        |
| Formulierung             | Liquid                                                                                  |

|                        |                                                                                                                                                                                                                                                             |
