## Product Datasheet

### **Anti-GFAP Antibody - Identical to Abcam (ab4674), Unconjugated, Gallus, Polyclonal ABC-A85307-100**

|                          |                                                                                       |
|--------------------------|---------------------------------------------------------------------------------------|
| Artikelname              | Anti-GFAP Antibody - Identical to Abcam (ab4674), Unconjugated, Gallus, Polyclonal    |
| Artikelnummer            | ABC-A85307-100                                                                        |
| Hersteller Artikelnummer | A85307-100                                                                            |
| Alternativnummer         | ABC-A85307-100                                                                        |
| Hersteller               | Antibodies.com                                                                        |
| Wirt                     | Gallus                                                                                |
| Kategorie                | Antikörper                                                                            |
| Applikation              | ICC, IHC, WB                                                                          |
| Spezies Reaktivität      | Bovine, Equine, Human, Mouse, Porcine, Rat                                            |
| Immunogen                | Recombinant full-length human GFAP isotype 1, expressed in and purified from E. coli. |
| Konjugation              | Unconjugated                                                                          |
| Produktbeschreibung      | Chicken polyclonal antibody to GFAP....                                               |
| Klonalität               | Polyclonal                                                                            |
| Molekulargewicht         | ~55 kDa                                                                               |
| Puffer                   | Supplied as an aliquot of IgY preparation with 0.02% Sodium Azide.                    |
| Reinheit                 | IgY preparation.                                                                      |

|                        |                                                            |
|------------------------|------------------------------------------------------------|
| Formulierung           | Liquid                                                     |
| Target-Kategorie       | GFAP                                                       |
| Antibody Type          | Primary Antibody                                           |
| Application Verdünnung | WB: 1:5,000, ICC/IF: 1:1,000-1:5,000, IHC: 1:1,000-1:5,000 |
