| Alternativnummer         | ABC-A88731-100                                                                                                           |
| Hersteller               | Antibodies.com                                                                                                           |
| Wirt                     | Rabbit                                                                                                                   |
| Kategorie                | Antikörper                                                                                                               |
| Applikation              | WB                                                                                                                       |
| Spezies Reaktivität      | Human                                                                                                                    |
| Immunogen                | Recombinant fusion protein containing a sequence corresponding to amino acids 1733-1982 of human CASP8AP2 (NP_036247.1). |
| Konjugation              | Unconjugated                                                                                                             |
| Produktbeschreibung      | Rabbit polyclonal antibody to FLASH....                                                                                  |
| Klonalität               | Polyclonal                                                                                                               |
| Konzentration            | Lot Specific                                                                                                             |
| Molekulargewicht         | 215 kDa                                                                                                                  |
| Puffer                   | Supplied in Phosphate Buffered Saline, pH 7.3, with 50% Glycerol and 0.01% Thiomersal.                                   |
| Formulierung             | Liquid                                                                                                                   |

|                        |                                                                                                                                                                                                                                                                          |
