## Product Datasheet

### Anti-mTOR (phospho Ser2481) Antibody, Unconjugated, Rabbit, Polyclonal ABC-A94182-100

|                          |                                                                                                                                                        |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-mTOR (phospho Ser2481) Antibody, Unconjugated, Rabbit, Polyclonal                                                                                 |
| Artikelnummer            | ABC-A94182-100                                                                                                                                         |
| Hersteller Artikelnummer | A94182-100                                                                                                                                             |
| Alternativnummer         | ABC-A94182-100                                                                                                                                         |
| Hersteller               | Antibodies.com                                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                                                 |
| Kategorie                | Antikörper                                                                                                                                             |
| Applikation              | ELISA, IF, IHC                                                                                                                                         |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                      |
| Immunogen                | Synthetic peptide derived from human mTOR around the phosphorylation site of Ser2481 (amino acids 2447-2496).                                          |
| Konjugation              | Unconjugated                                                                                                                                           |
| Produktbeschreibung      | Rabbit polyclonal antibody to mTOR (phospho Ser2481)....                                                                                               |
| Klonalität               | Polyclonal                                                                                                                                             |
| Molekulargewicht         | 288kDa                                                                                                                                                 |
| Puffer                   | Supplied in Phosphate Buffered Saline (without Mg <sup>2+</sup> and Ca <sup>2+</sup> ), pH 7.4, with 150mM NaCl, 0.02% Sodium Azide, and 50% Glycerol. |
| Formulierung             | Liquid                                                                                                                                                 |

|                        |                                  |
|------------------------|----------------------------------|
| Target-Kategorie       | mTOR                             |
| Antibody Type          | Primary Antibody                 |
| Application Verdünnung | WB: 1:500-1:1000, ELISA: 1:10000 |
