| Artikelname              | Anti-MKK6 (phospho Ser207) Antibody, Unconjugated, Rabbit, Polyclonal                                                                                  |
| Artikelnummer            | ABC-A94430-10                                                                                                                                          |
| Hersteller Artikelnummer | A94430-10                                                                                                                                              |
| Alternativnummer         | ABC-A94430-10                                                                                                                                          |
| Hersteller               | Antibodies.com                                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                                                 |
| Kategorie                | Antikörper                                                                                                                                             |
| Applikation              | ELISA, IHC, WB                                                                                                                                         |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                      |
| Immunogen                | Synthetic peptide derived from human MKK6 around the phosphorylation site of Ser207 (amino acids 173-222).                                             |
| Konjugation              | Unconjugated                                                                                                                                           |
| Produktbeschreibung      | Rabbit polyclonal antibody to MKK6 (phospho Ser207)....                                                                                                |
| Klonalität               | Polyclonal                                                                                                                                             |
| Molekulargewicht         | 37kDa                                                                                                                                                  |
| Puffer                   | Supplied in Phosphate Buffered Saline (without Mg <sup>2+</sup> and Ca <sup>2+</sup> ), pH 7.4, with 150mM NaCl, 0.02% Sodium Azide, and 50% Glycerol. |
| Formulierung             | Liquid                                                                                                                                                 |

|                        |                                                  |
|------------------------|--------------------------------------------------|
| Target-Kategorie       | MEK6                                             |
| Antibody Type          | Primary Antibody                                 |
| Application Verdünnung | WB: 1:500-1:1000, IHC: 1:50-1:100, ELISA: 1:5000 |
