| Artikelname              | Anti-ATF5 (acetyl Lys29) Antibody, Unconjugated, Rabbit, Polyclonal                                                                                    |
| Artikelnummer            | ABC-A94515-100                                                                                                                                         |
| Hersteller Artikelnummer | A94515-100                                                                                                                                             |
| Alternativnummer         | ABC-A94515-100                                                                                                                                         |
| Hersteller               | Antibodies.com                                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                                                 |
| Kategorie                | Antikörper                                                                                                                                             |
| Applikation              | ELISA, WB                                                                                                                                              |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                      |
| Immunogen                | Synthetic Acetyl-peptide derived from human ATF5 around the Acetylation site of Lys29 (amino acids 1-50).                                              |
| Konjugation              | Unconjugated                                                                                                                                           |
| Produktbeschreibung      | Rabbit polyclonal antibody to ATF5 (acetyl Lys29)....                                                                                                  |
| Klonalität               | Polyclonal                                                                                                                                             |
| Molekulargewicht         | 30kDa                                                                                                                                                  |
| Puffer                   | Supplied in Phosphate Buffered Saline (without Mg <sup>2+</sup> and Ca <sup>2+</sup> ), pH 7.4, with 150mM NaCl, 0.02% Sodium Azide, and 50% Glycerol. |
| Formulierung             | Liquid                                                                                                                                                 |
| Target-Kategorie         | ATF5                                                                                                                                                   |

|                        |                                  |
|------------------------|----------------------------------|
| Antibody Type          | Primary Antibody                 |
| Application Verdünnung | WB: 1:500-1:1000, ELISA: 1:10000 |
