| Artikelname              | Anti-MAX (phospho Ser2) Antibody, Unconjugated, Rabbit, Polyclonal                                                                                     |
| Artikelnummer            | ABC-A94517-100                                                                                                                                         |
| Hersteller Artikelnummer | A94517-100                                                                                                                                             |
| Alternativnummer         | ABC-A94517-100                                                                                                                                         |
| Hersteller               | Antibodies.com                                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                                                 |
| Kategorie                | Antikörper                                                                                                                                             |
| Applikation              | ELISA, IHC                                                                                                                                             |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                      |
| Immunogen                | Synthetic peptide derived from human MAX around the phosphorylation site of Ser2 (amino acids 1-50).                                                   |
| Konjugation              | Unconjugated                                                                                                                                           |
| Produktbeschreibung      | Rabbit polyclonal antibody to MAX (phospho Ser2)....                                                                                                   |
| Klonalität               | Polyclonal                                                                                                                                             |
| Molekulargewicht         | 18kDa                                                                                                                                                  |
| Puffer                   | Supplied in Phosphate Buffered Saline (without Mg <sup>2+</sup> and Ca <sup>2+</sup> ), pH 7.4, with 150mM NaCl, 0.02% Sodium Azide, and 50% Glycerol. |
| Formulierung             | Liquid                                                                                                                                                 |
| Target-Kategorie         | MAX                                                                                                                                                    |

|                        |                                 |
|------------------------|---------------------------------|
| Antibody Type          | Primary Antibody                |
| Application Verdünnung | IHC: 1:50-1:100, ELISA: 1:10000 |
