## Product Datasheet

### **Anti-SARS-CoV-2 Spike Protein S1 Antibody, Unconjugated, Rabbit, Polyclonal ABC-A283819-100**

|                          |                                                                                                                                                                                                                   |

| Alternativnummer         | ABC-A283819-100                                                                                                                                                                                                   |
| Hersteller               | Antibodies.com                                                                                                                                                                                                    |
| Wirt                     | Rabbit                                                                                                                                                                                                            |
| Kategorie                | Antikörper                                                                                                                                                                                                        |
| Applikation              | ELISA, ICC, IHC-P, WB                                                                                                                                                                                             |
| Spezies Reaktivität      | Virus                                                                                                                                                                                                             |
| Immunogen                | A peptide corresponding to 16 amino acids near the N-terminus of SARS-CoV-2 (COVID-19) Spike S1 glycoprotein. The immunogen is located within the first 50 amino acids of SARS-CoV-2 (COVID-19) Spike S1 protein. |
| Konjugation              | Unconjugated                                                                                                                                                                                                      |
| Produktbeschreibung      | Rabbit polyclonal antibody to SARS-CoV-2 Spike Protein S1....                                                                                                                                                     |
| Klonalität               | Polyclonal                                                                                                                                                                                                        |
| Konzentration            | 1 mg/ml                                                                                                                                                                                                           |
| Puffer                   | Supplied in Phosphate Buffered Saline with 0.02% Sodium Azide.                                                                                                                                                    |

|                        |                                                                           |
|------------------------|---------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                    |
| Target-Kategorie       | SARS-CoV-2 Spike Protein S1                                               |
| Antibody Type          | Primary Antibody                                                          |
| Application Verdünnung | ELISA: 1,000 ng/ml - 8 ng/ml, ICC: 5 µg/ml, IHC-P: 0.5 µg/ml, WB: 1 µg/ml |
