| Artikelname              | Recombinant Human Claudin 6 Protein (Fc Tag), Unconjugated                                                                                                                                     |
| Artikelnummer            | ABC-A317784-100                                                                                                                                                                                |
| Hersteller Artikelnummer | A317784-100                                                                                                                                                                                    |
| Alternativnummer         | ABC-A317784-100                                                                                                                                                                                |
| Hersteller               | Antibodies.com                                                                                                                                                                                 |
| Kategorie                | Proteine/Peptide                                                                                                                                                                               |
| Applikation              | SDS-PAGE                                                                                                                                                                                       |
| Konjugation              | Unconjugated                                                                                                                                                                                   |
| Konzentration            | Reconstitution dependent.                                                                                                                                                                      |
| Molekulargewicht         | The protein has a predicted molecular mass of 29.0 kDa after removal of the signal peptide. The apparent molecular mass of CLDN6(138-160)-mFc is approximately 25-35 kDa due to glycosylation. |
| Tag                      | C-terminal Mouse Fc Tag                                                                                                                                                                        |
| Puffer                   | Lyophilized from sterile Phosphate Buffered Saline, pH 7.4. Normally 5%-8% Trehalose is added as a protectant before lyophilization.                                                           |
| Expression System        | HEK293 cells                                                                                                                                                                                   |
| Reinheit                 | > 95% by SDS-PAGE and Coomassie blue staining.                                                                                                                                                 |
| Formulierung             | Lyophilized                                                                                                                                                                                    |

|                  |                                            |
|------------------|--------------------------------------------|
| Sequenz          | CLDN6 (Trp138-Leu160) + mFc (Pro99-Lys330) |
| Target-Kategorie | Claudin 6                                  |
