## Product Datasheet

### **Anti-SARS-CoV-2 Spike Glycoprotein Antibody [DM25] - BSA and Azide free, Unconjugated, Rabbit, Monoclonal ABC-A318669-100**

|                          |                                                                                                                                      |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-SARS-CoV-2 Spike Glycoprotein Antibody [DM25] - BSA and Azide free, Unconjugated, Rabbit, Monoclonal                            |
| Artikelnummer            | ABC-A318669-100                                                                                                                      |
| Hersteller Artikelnummer | A318669-100                                                                                                                          |
| Alternativnummer         | ABC-A318669-100                                                                                                                      |
| Hersteller               | Antibodies.com                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                           |
| Applikation              | ELISA                                                                                                                                |
| Spezies Reaktivität      | Virus                                                                                                                                |
| Konjugation              | Unconjugated                                                                                                                         |
| Produktbeschreibung      | Recombinant rabbit monoclonal [DM25] antibody to SARS-CoV-2 Spike Glycoprotein....                                                   |
| Klonalität               | Monoclonal                                                                                                                           |
| Konzentration            | Reconstitution dependent.                                                                                                            |
| Klon-Bezeichnung         | [DM25]                                                                                                                               |
| Puffer                   | Lyophilized from sterile Phosphate Buffered Saline, pH 7.4. Normally 5%-8% Trehalose is added as a protectant before lyophilization. |

|                        |                               |
|------------------------|-------------------------------|
| Formulierung           | Lyophilized                   |
| Target-Kategorie       | SARS-CoV-2 Spike Glycoprotein |
| Antibody Type          | Primary Antibody              |
| Application Verdünnung | ELISA: 1:5,000-10,000         |
