## Product Datasheet

### **Anti-TMPRSS2 Antibody [Research Grade Biosimilar] - Low endotoxin, Azide free, IgG1, Unconjugated, Human, Monoclonal ABC-A324267-100**

|                          |                                                                                                                      |

| Artikelnummer            | ABC-A324267-100                                                                                                      |
| Hersteller Artikelnummer | A324267-100                                                                                                          |
| Alternativnummer         | ABC-A324267-100                                                                                                      |
| Hersteller               | Antibodies.com                                                                                                       |
| Wirt                     | Human                                                                                                                |
| Kategorie                | Antikörper                                                                                                           |
| Applikation              | ELISA, FA, FACS, In vivo                                                                                             |
| Spezies Reaktivität      | Human                                                                                                                |
| Konjugation              | Unconjugated                                                                                                         |
| Produktbeschreibung      | Recombinant human monoclonal antibody to TMPRSS2....                                                                 |
| Klonalität               | Monoclonal                                                                                                           |
| Konzentration            | Reconstitution dependent.                                                                                            |
| Molekulargewicht         | This antibody has a predicted MW of 150 kDa.                                                                         |
| Isotyp                   | IgG1                                                                                                                 |
| Puffer                   | Lyophilized from 25mM Histadine, pH 6.2, with 8% Sucrose and 0.01% Tween80.                                          |

|                   |                                   |
|-------------------|-----------------------------------|
| Expression System | CHO cells                         |
| Reinheit          | > 90% (by SDS-PAGE and SEC-HPLC). |
| Formulierung      | Lyophilized                       |
| Target-Kategorie  | TMPRSS2                           |
| Antibody Type     | Primary Antibody                  |
