## Product Datasheet

### Recombinant Human SARS-CoV-2 Nucleocapsid Protein (C-terminal His Tag) ABC-A326087-500

|                          |                                                                        |
|--------------------------|------------------------------------------------------------------------|
| Artikelname              | Recombinant Human SARS-CoV-2 Nucleocapsid Protein (C-terminal His Tag) |
| Artikelnummer            | ABC-A326087-500                                                        |
| Hersteller Artikelnummer | A326087-500                                                            |
| Alternativnummer         | ABC-A326087-500                                                        |
| Hersteller               | Antibodies.com                                                         |
| Kategorie                | Proteine/Peptide                                                       |
| Applikation              | IA                                                                     |
| Konzentration            | Lot Specific                                                           |
| Tag                      | C-terminal His Tag                                                     |
| Puffer                   | Supplied in Phosphate Buffered Saline with 25 mM Potassium Carbonate.  |
| Expression System        | Escherichia coli                                                       |
| Reinheit                 | >90% as determined by SDS-PAGE (coomassie staining).                   |
| Formulierung             | Liquid                                                                 |

|                  |                                                                                                                                                                                                                                                                                |
