| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, IHC, WB                                                                                                                                                                                                                                                |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | Recombinant Human Tudor domain-containing protein 3 protein (401-651AA)                                                                                                                                                                                       |
| Produktbeschreibung      | The TDRD3 Polyclonal Antibody is applicable for the following applications: ELISA, WB, IHC. Host: Rabbit. Species Reactivity: Human (Homo sapiens). Immunogen: Recombinant Human Tudor domain-containing protein 3 protein (401-651AA). Accession Number: ... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| Konzentration            | Lot specific. Please inquire or refer to the datasheet included in the product pouch.                                                                                                                                                                         |
| Puffer                   | 0.03% Proclin 300, 50% glycerol, 0.01M PBS, pH 7.4                                                                                                                                                                                                            |

|                  |                          |
|------------------|--------------------------|
| Reinheit         | >95%, Protein G purified |
| Formulierung     | Liquid                   |
| Target-Kategorie | TDRD3                    |
