| Hersteller               | reddot Biotech                                                                                                                                                                                                                                                |
| Kategorie                | Kits/Assays                                                                                                                                                                                                                                                   |
| Applikation              | ELISA                                                                                                                                                                                                                                                         |
| Spezies Reaktivität      | Mouse                                                                                                                                                                                                                                                         |
| Produktbeschreibung      | This Mouse Matrix Metalloproteinase 14 (MMP14) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in serum, plasma, tissue homogenates, cell lysates, cell culture supernatants and other biological fluids... |
| Detektionsbereich        | 93.75-6000pg/mL                                                                                                                                                                                                                                               |
| Sensitivitaet            | 32.81pg/mL                                                                                                                                                                                                                                                    |
| NCBI                     | <a href="#">161476</a>                                                                                                                                                                                                                                        |
| UniProt                  | <a href="#">O35878</a>                                                                                                                                                                                                                                        |
| Proben                   | serum, plasma, tissue homogenates, cell lysates, cell culture supernatants and other biological fluids                                                                                                                                                        |
| Target-Kategorie         | Mouse Matrix Metalloproteinase 14 (MMP14)                                                                                                                                                                                                                     |

Anwendungsbeschreibung

Assay Length: 4.5 hours. Experimental Method: Sandwich
