| Kategorie                | Kits/Assays                                                                                                                                                                                                                                                   |
| Applikation              | ELISA                                                                                                                                                                                                                                                         |
| Spezies Reaktivität      | Mouse                                                                                                                                                                                                                                                         |
| Produktbeschreibung      | This Mouse Serine/Threonine-Protein Phosphatase 2A 56 kDa Regulatory Subunit Alpha Isoform (PP2Aa) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in serum, plasma, tissue homogenates and other biolog... |
| Detektionsbereich        | 78.1-5000pg/mL                                                                                                                                                                                                                                                |
| Sensitivitaet            | 34.6pg/mL                                                                                                                                                                                                                                                     |
| NCBI                     | <a href="#">14489</a>                                                                                                                                                                                                                                         |
| UniProt                  | <a href="#">P62774</a>                                                                                                                                                                                                                                        |
| Proben                   | serum, plasma, tissue homogenates and other biological fluids                                                                                                                                                                                                 |

|                        |                                                                                               |
|------------------------|-----------------------------------------------------------------------------------------------|
| Target-Kategorie       | Mouse Serine/Threonine-Protein Phosphatase 2A 56 kDa Regulatory Subunit Alpha Isoform (PP2Aa) |
| Anwendungsbeschreibung | Assay Length: 4.5 hours. Experimental Method: Sandwich                                        |
