| Hersteller               | reddot Biotech                                                                                                                                                                                                                                                |
| Kategorie                | Kits/Assays                                                                                                                                                                                                                                                   |
| Applikation              | ELISA                                                                                                                                                                                                                                                         |
| Spezies Reaktivität      | Mouse                                                                                                                                                                                                                                                         |
| Produktbeschreibung      | This Mouse Interleukin 7 (IL7) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in serum, plasma, tissue homogenates, cell lysates, cell culture supernatants and other biological fluids . This product ... |
| Detektionsbereich        | 15.6-1000pg/mL                                                                                                                                                                                                                                                |
| Sensitivitaet            | 5.1pg/mL                                                                                                                                                                                                                                                      |
| NCBI                     | <a href="#">257630</a>                                                                                                                                                                                                                                        |
| UniProt                  | <a href="#">Q7TNI7</a>                                                                                                                                                                                                                                        |
| Proben                   | serum, plasma, tissue homogenates, cell lysates, cell culture supernatants and other biological fluids                                                                                                                                                        |
| Target-Kategorie         | Mouse Interleukin 7 (IL7)                                                                                                                                                                                                                                     |

Anwendungsbeschreibung

Assay Length: 3 hours. Experimental Method: Sandwich
