| Kategorie                | Kits/Assays                                                                                                                                                                                                                                          |
| Spezies Reaktivität      | Mouse                                                                                                                                                                                                                                                |
| Produktbeschreibung      | This Mouse S100 Calcium Binding Protein B (S100B) ELISA Kit is a Sandwich ELISA assay that will detect and quantify the target analyte in serum, plasma, tissue homogenates, cell lysates, cell culture supernatants and other biological fluids.... |
| Detektionsbereich        | 15.6-1000pg/mL                                                                                                                                                                                                                                       |
| Sensitivitaet            | 5.9pg/mL                                                                                                                                                                                                                                             |
