| Hersteller               | HUABIO                                                                                                                                                                                                                                                        |
| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | FC                                                                                                                                                                                                                                                            |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | Recombinant protein within                                                                                                                                                                                                                                    |
| Konjugation              | PE                                                                                                                                                                                                                                                            |
| Produktbeschreibung      | CD3 (cluster of differentiation 3) is a protein complex and T cell co-receptor that is involved in activating both the cytotoxic T cell (CD8+ naive T cells) and T helper cells (CD4+ naive T cells). It is composed of four distinct chains. In mammals, ... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Konzentration            | /                                                                                                                                                                                                                                                             |
| Klon-Bezeichnung         | [PSH04-92]                                                                                                                                                                                                                                                    |

|                        |                                                                                         |
|------------------------|-----------------------------------------------------------------------------------------|
| Molekulargewicht       | Predicted band size: 23 kDa                                                             |
| Isotyp                 | IgG1                                                                                    |
| UniProt                | <a href="#">P07766</a>                                                                  |
| Puffer                 | Supplied in phosphate-buffered solution, pH 7.2, containing 0.2% ProClean 950 and BSA.  |
| Reinheit               | Protein A affinity purified.                                                            |
| Formulierung           | Liquid                                                                                  |
| Target-Kategorie       | CD3E, T3E                                                                               |
| Antibody Type          | Primary Antibody                                                                        |
| Application Verdünnung | FC: 5 µl per million cells in 100 µl staining volume or 5 µl per 100 µl of whole blood. |
