| Immunogen                | Recombinant protein within Human ABCD1 / ALD aa 596-745 / 745.                                                                                                                                                                                                |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                                  |
| Produktbeschreibung      | ABCD1 is a protein that transfers fatty acids into peroxisomes. The protein encoded by this gene is a member of the superfamily of ATP-binding cassette (ABC) transporters. ABC proteins transport various molecules across extra- and intra-cellular memb... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 1 mg/mL.                                                                                                                                                                                                                                                      |
| Klon-Bezeichnung         | [JE75-07]                                                                                                                                                                                                                                                     |

|                        |                                                                           |
|------------------------|---------------------------------------------------------------------------|
| Molekulargewicht       | Predicted band size: 83 kDa                                               |
| UniProt                | <a href="#">P33897</a>                                                    |
| Puffer                 | 1*TBS (pH7.4), 0.05% BSA, 40% Glycerol. Preservative: 0.05% Sodium Azide. |
| Reinheit               | Protein A affinity purified.                                              |
| Formulierung           | Liquid                                                                    |
| Target-Kategorie       | ABCD1, ALD                                                                |
| Antibody Type          | Primary Antibody                                                          |
