| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | IF, IHC, WB                                                                                                                                                                                                                                                   |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                                                             |
| Immunogen                | Synthetic phosphopeptide corresponding to residues surrounding Ser463/465 of human SMAD1 and SMAD5 protein.                                                                                                                                                   |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                                  |
| Produktbeschreibung      | Smads (or SMADs) comprise a family of structurally similar proteins that are the main signal transducers for receptors of the transforming growth factor beta (TGF-B) superfamily, which are critically important for regulating cell development and grow... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 1 mg/mL.                                                                                                                                                                                                                                                      |

|                        |                                                                           |
|------------------------|---------------------------------------------------------------------------|
| Klon-Bezeichnung       | [JE59-46]                                                                 |
| Molekulargewicht       | Predicted band size: 52 kDa                                               |
| UniProt                | <a href="#">Q15797</a>                                                    |
| Puffer                 | 1*TBS (pH7.4), 0.05% BSA, 40% Glycerol. Preservative: 0.05% Sodium Azide. |
| Reinheit               | Protein A affinity purified.                                              |
| Formulierung           | Liquid                                                                    |
| Target-Kategorie       | SMAD1, BSP1, MADH1, MADR1, SMAD5, MADH5, SMAD9, MADH6, MADH9, SMAD8       |
| Antibody Type          | Primary Antibody                                                          |
| Application Verdünnung | WB: 1:1,000 ,IHC: 1:1,000 ,IF-Cell: 1:100                                 |
