| Hersteller               | HUABIO                                                                                                                                                                                                                                                        |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA                                                                                                                                                                                                                                                         |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | Recombinant protein within Human Complement C5 19-821.                                                                                                                                                                                                        |
| Konjugation              | Biotin                                                                                                                                                                                                                                                        |
| Produktbeschreibung      | Activation of C5 by a C5 convertase initiates the spontaneous assembly of the late complement components, C5-C9, into the membrane attack complex. C5b has a transient binding site for C6. The C5b-C6 complex is the foundation upon which the lytic comp... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 1 mg/mL.                                                                                                                                                                                                                                                      |
| Klon-Bezeichnung         | [PSH06-46]                                                                                                                                                                                                                                                    |

|                        |                                                                                                                                                                                                                                                               |
