| Hersteller               | Krishgen Biosystems                                                                                                                                                                                                                                           |
| Kategorie                | Kits/Assays                                                                                                                                                                                                                                                   |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Produktbeschreibung      | The GENLISA Tubulin Polymerization-Promoting Protein Family Member 3 (TPPP3) ELISA includes features like: - Ready to use protocol with break-apart wells for ease of use - Standardisation and High Reproducibility - Lot to Lot Consistency - Accuracy a... |
| Detektionsbereich        | 3.13 - 200 ng/ml                                                                                                                                                                                                                                              |
| Sensitivitaet            | 1.09 ng/ml                                                                                                                                                                                                                                                    |
| Proben                   | Serum, Plasma, Cell Culture Supernatant and other biological samples. Validated for citrated/EDTA Plasma only.                                                                                                                                                |
| Anwendungsbeschreibung   | Colorimetric, Absorbance measured at 450nm                                                                                                                                                                                                                    |
