## Product Datasheet

### **Anti-Acetyl-Histone H2A.Z (Lys7) rabbit monoclonal antibody [RM222], Rabbit, Monoclonal RMB-31-1102-00**

|                          |                                                                                         |
|--------------------------|-----------------------------------------------------------------------------------------|
| Artikelname              | Anti-Acetyl-Histone H2A.Z (Lys7) rabbit monoclonal antibody [RM222], Rabbit, Monoclonal |
| Artikelnummer            | RMB-31-1102-00                                                                          |
| Hersteller Artikelnummer | 31-1102-00                                                                              |
| Alternativnummer         | RMB-31-1102-00-100                                                                      |
| Hersteller               | RevMAb                                                                                  |
| Wirt                     | Rabbit                                                                                  |
| Kategorie                | Antikörper                                                                              |
| Applikation              | ELISA, ICC, WB, xMAP                                                                    |
| Immunogen                | An acetyl-peptide corresponding to Acetyl-Histone H2A.Z (Lys7)                          |
| Produktbeschreibung      | Rabbit monoclonal to Acetyl-Histone H2AZ (Lys7)...                                      |
| Klonalität               | Monoclonal                                                                              |
| Konzentration            | 1 mg/mL                                                                                 |
| Klon-Bezeichnung         | [RM222]                                                                                 |
| NCBI                     | <a href="#">3015</a>                                                                    |
| UniProt                  | <a href="#">P0C0S5</a>                                                                  |
| Puffer                   | 50% Glycerol/PBS with 1% BSA and 0.09% sodium azide                                     |

|                        |                                                                                                                              |
|------------------------|------------------------------------------------------------------------------------------------------------------------------|
| Reinheit               | Protein A affinity purified from an animal origin-free culture supernatant                                                   |
| Application Verdünnung | WB: 0.5 ug/mL - 2 ug/mL, ELISA: 0.2 ug/mL - 1 ug/mL, Luminex: 0.05 ug/mL - 0.5 ug/mL, Immunocytochemistry: 1 ug/mL- 2 ug/mL. |
