## Product Datasheet

### **Anti-DNA-PKcs (PRKDC) Rabbit Monoclonal Antibody, Clone RM505, Clone: [RM505] RMB-31-1397-00**

|                          |                                                                                                    |
|--------------------------|----------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-DNA-PKcs (PRKDC) Rabbit Monoclonal Antibody, Clone RM505, Clone: [RM505]                      |
| Artikelnummer            | RMB-31-1397-00                                                                                     |
| Hersteller Artikelnummer | 31-1397-00                                                                                         |
| Alternativnummer         | RMB-31-1397-00-100                                                                                 |
| Hersteller               | RevMAb                                                                                             |
| Wirt                     | Rabbit                                                                                             |
| Kategorie                | Antikörper                                                                                         |
| Applikation              | IHC, WB                                                                                            |
| Spezies Reaktivität      | Human                                                                                              |
| Immunogen                | A peptide corresponding to the C-terminus of human DNA-PKs ( DNA-PK catalytic subunit).            |
| Produktbeschreibung      | Rabbit monoclonal antibody to DNA-PKcs (PRKDC) (DNA-Dependent Protein Kinase Catalytic Subunit)... |
| Klonalität               | Monoclonal                                                                                         |
| Klon-Bezeichnung         | [RM505]                                                                                            |
| NCBI                     | <a href="#">5591</a>                                                                               |
| UniProt                  | <a href="#">P78527</a>                                                                             |

|                        |                                                                            |
|------------------------|----------------------------------------------------------------------------|
| Puffer                 | 50% Glycerol/PBS with 1% BSA and 0.09% sodium azide                        |
| Reinheit               | Protein A affinity purified from an animal origin-free culture supernatant |
| Application Verdünnung | IHC: 1:100 -1:200 dilution, WB: 1:1000 - 1:2500 dilution.                  |
