| Hersteller               | EnkiLife                                                                                                                                                               |
| Wirt                     | Mouse                                                                                                                                                                  |
| Kategorie                | Antikörper                                                                                                                                                             |
| Applikation              | ICC, IHC-P                                                                                                                                                             |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                      |
| Konjugation              | Unconjugated                                                                                                                                                           |
| Produktbeschreibung      | The exact function of MAP2 is unknown but MAPs may stabilize the microtubules against depolymerization. They also seem to have a stiffening effect on microtubules.... |
| Klonalität               | Monoclonal                                                                                                                                                             |
| Isotyp                   | IgG1                                                                                                                                                                   |
| NCBI                     | <a href="#">4133</a>                                                                                                                                                   |
| UniProt                  | <a href="#">P11137</a>                                                                                                                                                 |

|                        |                                                                                 |
|------------------------|---------------------------------------------------------------------------------|
| Puffer                 | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide, pH 7.3. |
| Reinheit               | Affinity Purification                                                           |
| Formulierung           | Liquid                                                                          |
| Target-Kategorie       | MAP2                                                                            |
| Application Verdünnung | IHC: 1:50-1:100 IF: 1:50-1:200                                                  |
