| Alternativnummer         | MCE-HY-P77044-50UG                                                                                                                                                                                                                                            |
| Hersteller               | MedchemExpress                                                                                                                                                                                                                                                |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                              |
| Produktbeschreibung      | KIRREL2/NEPH3 proteins may regulate basal insulin secretion and participate in self-association as homodimers. Functionally, it interacts with NPHS2/podocin, NPHS1 and FYN, contributing to key molecular interactions in cellular processes. KIRREL2/NEP... |
| Molekulargewicht         | Approximately 52.3 kDa.                                                                                                                                                                                                                                       |
| Reinheit                 | 97.70                                                                                                                                                                                                                                                         |
| Formel                   | 84063(Gene_ID)Q6UWL6-1 (G21-R503)(Accession)                                                                                                                                                                                                                  |
| Anwendungsbeschreibung   | MCE Product type: Recombinant Proteins                                                                                                                                                                                                                        |
