| Hersteller               | Abeomics                                                                                                                                                                                                                                                      |
| Wirt                     | Human                                                                                                                                                                                                                                                         |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                              |
| Produktbeschreibung      | Molecular Characterization:6A-His tag HSP90AA1(Pro2-Asp732)Molecular weight: The protein has a predicted molecular mass of 85.4 kDa after removal of the signal peptide. The apparent molecular mass of His-HSP90AA1 is approximately 100-130 kDa due to g... |
| UniProt                  | <a href="#">P07900</a>                                                                                                                                                                                                                                        |
| Target-Kategorie         | HSP90AA1                                                                                                                                                                                                                                                      |
