| Alternativnummer         | ABI-32-17878-100-100UG                                                                                                                                                                                                                                        |
| Hersteller               | Abeomics                                                                                                                                                                                                                                                      |
| Wirt                     | Human                                                                                                                                                                                                                                                         |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                              |
| Produktbeschreibung      | Molecular Characterization: IL1R2(Phe14-Glu343)6A-His tagMolecular weight: The protein has a predicted molecular mass of 38.6 kDa after removal of the signal peptide. The apparent molecular mass of IL1R2-His is approximately 35-55 kDa due to glycosyl... |
| UniProt                  | <a href="#">P27930</a>                                                                                                                                                                                                                                        |
| Target-Kategorie         | IL1R2                                                                                                                                                                                                                                                         |
| Antibody Type            | Recombinant Antibody                                                                                                                                                                                                                                          |
