## Product Datasheet

**Anti-Epstein-Barr Virus (LMP-1) Monoclonal Antibody(Clone: CS1), Clone:  
[CS1], Mouse  
ABI-36-3742**

|                          |                                                                                                                                                                                                                                                               |

| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, WB                                                                                                                                                                                                                                                     |
| Immunogen                | Recombinant fusion protein containing the sequence of bacterial beta-galactosidase and the carboxyl half of EBV-encoded LMP                                                                                                                                   |
| Produktbeschreibung      | This antibody is a mixture of four different monoclonal antibodies. This antibody is specific to 60kDa latent membrane protein (LMP-1) encoded by the BNLF1 gene of the EBV. Each clone reacts with different epitopes on the hydrophilic C-terminus of th... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [CS1]                                                                                                                                                                                                                                                         |
| Antibody Type            | Monoclonal Antibody                                                                                                                                                                                                                                           |
| Application Verdünnung   | ELISA (For coating, purchase antibody without BSA), Western Blot (1-2ug/ml),                                                                                                                                                                                  |
