| Applikation              | WB                                                                                                                                                                                                                                                            |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | A synthetic peptide corresponding to a sequence in the middle region of human STAT1(364-378aa FDKDVNERNTVKGFR), different from the related mouse sequence by one amino acid.                                                                                  |
| Produktbeschreibung      | Signal transducer and activator of transcription 1 (STAT1) is a transcription factor which in humans is encoded by the STAT1 gene. The protein encoded by this gene is a member of the STAT protein family. In response to cytokines and growth factors, S... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |

| UniProt                  | <a href="#">P42224</a>                                                                                                                                                                                                                                        |
| Reinheit                 | Immunogen affinity purified.                                                                                                                                                                                                                                  |

|                        |                                                               |
|------------------------|---------------------------------------------------------------|
| Target-Kategorie       | Signal transducer and activator of transcription 1-alpha/beta |
| Antibody Type          | Polyclonal Antibody                                           |
| Application Verdünnung | Western blot : 0.1-0.5µg/ml                                   |
