| Artikelname              | CDK5 Regulatory Subunit Associated Protein 2 (CDK5RAP2) Antibody (HRP), Rabbit, Polyclonal |
| Artikelnummer            | ABX317582                                                                                  |
| Hersteller Artikelnummer | abx317582                                                                                  |
| Alternativnummer         | ABX317582-20UG,ABX317582-50UG,ABX317582-100UG,ABX317582-200UG,ABX317582-1MG                |
| Hersteller               | Abbexa                                                                                     |
| Wirt                     | Rabbit                                                                                     |
| Kategorie                | Antikörper                                                                                 |
| Applikation              | ELISA                                                                                      |
| Spezies Reaktivität      | Human                                                                                      |
| Immunogen                | Recombinant Human CDK5 regulatory subunit-associated protein 2 protein (996-1111AA).       |
| Konjugation              | HRP                                                                                        |
| Klonalität               | Polyclonal                                                                                 |
| NCBI                     | <a href="#">55755</a>                                                                      |
| UniProt                  | <a href="#">Q96SN8</a>                                                                     |
| Puffer                   | 0.01 M PBS, pH 7.4, 0.03% Proclin-300 and 50% Glycerol.                                    |

|                  |                                                         |
|------------------|---------------------------------------------------------|
| Reinheit         | > 95%                                                   |
| Formulierung     | Liquid                                                  |
| Target-Kategorie | CDK5 Regulatory Subunit Associated Protein 2 (CDK5RAP2) |
| Antibody Type    | Primary Antibody                                        |
