## Product Datasheet

### Junction Mediating and Regulatory Protein (JMY) Antibody, Unconjugated, Rabbit, Polyclonal ABX325648

|                          |                                                                                            |
|--------------------------|--------------------------------------------------------------------------------------------|
| Artikelname              | Junction Mediating and Regulatory Protein (JMY) Antibody, Unconjugated, Rabbit, Polyclonal |
| Artikelnummer            | ABX325648                                                                                  |
| Hersteller Artikelnummer | abx325648                                                                                  |
| Alternativnummer         | ABX325648-50UG,ABX325648-100UG                                                             |
| Hersteller               | Abbexa                                                                                     |
| Wirt                     | Rabbit                                                                                     |
| Kategorie                | Antikörper                                                                                 |
| Applikation              | ELISA, WB                                                                                  |
| Spezies Reaktivität      | Human, Mouse                                                                               |
| Immunogen                | Synthesized peptide derived from the C-terminal region of human JMY.                       |
| Konjugation              | Unconjugated                                                                               |
| Klonalität               | Polyclonal                                                                                 |
| NCBI                     | <a href="#">133746</a>                                                                     |
| UniProt                  | <a href="#">Q8N9B5</a>                                                                     |
| Puffer                   | PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                              |
| Formulierung             | Liquid                                                                                     |

|                  |                                                 |
|------------------|-------------------------------------------------|
| Target-Kategorie | Junction Mediating and Regulatory Protein (JMY) |
| Antibody Type    | Primary Antibody                                |
