| Kategorie                | Proteine/Peptide                                                                                                                                                                                                 |
| Spezies Reaktivität      | Rat                                                                                                                                                                                                              |
| Molekulargewicht         | calculated_mw: 20.9 kDa. observed_mw: 23.18 kDa                                                                                                                                                                  |
| Tag                      | N-His                                                                                                                                                                                                            |
| NCBI                     | <a href="#">02773</a>                                                                                                                                                                                            |
| UniProt                  | <a href="#">P02773</a>                                                                                                                                                                                           |
| Expression System        | E.coli                                                                                                                                                                                                           |
| Reinheit                 | > 80% as determined by reducing SDS-PAGE.                                                                                                                                                                        |
| Formulierung             | Lyophilized from sterile PBS, pH 7.4.Normally 5%-8% trehalose, mannitol and 0.01% Tween 80 are added as protectants before lyophilization.Please refer to the specific buffer information in the printed manual. |
| Sequenz                  | Arg25-Ala212                                                                                                                                                                                                     |

|                  |                   |
|------------------|-------------------|
| Target-Kategorie | Alpha-fetoprotein |
