## Product Datasheet

### Recombinant Human Fibroblast Activation Protein alpha/FAP Protein(His Tag) ELA-PDMH100344

|                          |                                                                                       |
|--------------------------|---------------------------------------------------------------------------------------|
| Artikelname              | Recombinant Human Fibroblast Activation Protein alpha/FAP Protein(His Tag)            |
| Artikelnummer            | ELA-PDMH100344                                                                        |
| Hersteller Artikelnummer | PDMH100344                                                                            |
| Alternativnummer         | ELA-PDMH100344-100UG,ELA-PDMH100344-20UG,ELA-PDMH100344-500UG,ELA-PDMH100344-1MG      |
| Hersteller               | Elabscience                                                                           |
| Kategorie                | Proteine/Peptide                                                                      |
| Spezies Reaktivität      | Human                                                                                 |
| Molekulargewicht         | calculated_mw: 80.7 kDa. observed_mw: 90 kDa                                          |
| Tag                      | C-His                                                                                 |
| NCBI                     | <a href="#">12884</a>                                                                 |
| UniProt                  | <a href="#">Q12884</a>                                                                |
| Expression System        | Mammalian                                                                             |
| Reinheit                 | > 90% as determined by reducing SDS-PAGE.                                             |
| Formulierung             | Lyophilized from a 0.2 µm filtered solution in PBS with 5% Trehalose and 5% Mannitol. |
| Sequenz                  | Leu26-Asp760                                                                          |

|                  |                                         |
|------------------|-----------------------------------------|
| Target-Kategorie | Fibroblast Activation Protein alpha/FAP |
|------------------|-----------------------------------------|
