| Artikelname              | Recombinant Human RAB27B Protein                                                                                                                                                                                    |
| Artikelnummer            | ELA-PKSH030515                                                                                                                                                                                                      |
| Hersteller Artikelnummer | PKSH030515                                                                                                                                                                                                          |
| Alternativnummer         | ELA-PKSH030515-100UG                                                                                                                                                                                                |
| Hersteller               | Elabscience                                                                                                                                                                                                         |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                    |
| Spezies Reaktivität      | Human                                                                                                                                                                                                               |
| Molekulargewicht         | calculated_mw: 24.3 kDa. observed_mw: 27 kDa                                                                                                                                                                        |
| Tag                      | None                                                                                                                                                                                                                |
| NCBI                     | <a href="#">00194</a>                                                                                                                                                                                               |
| UniProt                  | <a href="#">O00194</a>                                                                                                                                                                                              |
| Expression System        | HEK293 Cells                                                                                                                                                                                                        |
| Reinheit                 | > 85 % as determined by reducing SDS-PAGE.                                                                                                                                                                          |
| Formulierung             | Lyophilized from sterile PBS, pH 7.4 Normally 5% - 8% trehalose, mannitol and 0.01% Tween 80 are added as protectants before lyophilization. Please refer to the specific buffer information in the printed manual. |
| Sequenz                  | Thr 2-Lys215                                                                                                                                                                                                        |
