| Artikelname              | Recombinant Human FDPS Protein (His Tag)                                                                                                                                                                          |
| Artikelnummer            | ELA-PKSH030685                                                                                                                                                                                                    |
| Hersteller Artikelnummer | PKSH030685                                                                                                                                                                                                        |
| Alternativnummer         | ELA-PKSH030685-50UG                                                                                                                                                                                               |
| Hersteller               | Elabscience                                                                                                                                                                                                       |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                  |
| Spezies Reaktivität      | Human                                                                                                                                                                                                             |
| Molekulargewicht         | calculated_mw: 42.4 kDa. observed_mw: 38 kDa                                                                                                                                                                      |
| Tag                      | N-His                                                                                                                                                                                                             |
| NCBI                     | <a href="#">001129294</a>                                                                                                                                                                                         |
| UniProt                  | <a href="#">P14324</a>                                                                                                                                                                                            |
| Expression System        | E.coli                                                                                                                                                                                                            |
| Reinheit                 | > 85 % as determined by reducing SDS-PAGE.                                                                                                                                                                        |
| Formulierung             | Lyophilized from sterile PBS, pH 7.5Normally 5% - 8% trehalose, mannitol and 0.01% Tween 80 are added as protectants before lyophilization.Please refer to the specific buffer information in the printed manual. |
| Sequenz                  | Met 1-Lys 353                                                                                                                                                                                                     |
