## Product Datasheet

**Recombinant Human Parathyroid Hormone/PTH Protein (aa 32-65, GST Tag)**  
**ELA-PKSH030707**

|                          |                                                                                                                                                                                                                   |

| Artikelnummer            | ELA-PKSH030707                                                                                                                                                                                                    |
| Hersteller Artikelnummer | PKSH030707                                                                                                                                                                                                        |
| Alternativnummer         | ELA-PKSH030707-100UG                                                                                                                                                                                              |
| Hersteller               | Elabscience                                                                                                                                                                                                       |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                  |
| Spezies Reaktivität      | Human                                                                                                                                                                                                             |
| Molekulargewicht         | calculated_mw: 31.0 kDa. observed_mw: 30 kDa                                                                                                                                                                      |
| Tag                      | N-GST                                                                                                                                                                                                             |
| NCBI                     | <a href="#">01270</a>                                                                                                                                                                                             |
| UniProt                  | <a href="#">P01270</a>                                                                                                                                                                                            |
| Expression System        | E.coli                                                                                                                                                                                                            |
| Reinheit                 | > 96 % as determined by reducing SDS-PAGE.                                                                                                                                                                        |
| Formulierung             | Lyophilized from sterile PBS, pH 7.5Normally 5% - 8% trehalose, mannitol and 0.01% Tween 80 are added as protectants before lyophilization.Please refer to the specific buffer information in the printed manual. |
| Sequenz                  | Ser 32-Phe 65                                                                                                                                                                                                     |
