## Product Datasheet

### Recombinant Human CLEC4D/CLECSF8 Protein (His Tag) ELA-PKSH031110

|                          |                                                                                                                                                                                                                   |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Recombinant Human CLEC4D/CLECSF8 Protein (His Tag)                                                                                                                                                                |
| Artikelnummer            | ELA-PKSH031110                                                                                                                                                                                                    |
| Hersteller Artikelnummer | PKSH031110                                                                                                                                                                                                        |
| Alternativnummer         | ELA-PKSH031110-100UG                                                                                                                                                                                              |
| Hersteller               | Elabscience                                                                                                                                                                                                       |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                  |
| Spezies Reaktivität      | Human                                                                                                                                                                                                             |
| Molekulargewicht         | calculated_mw: 21.2 kDa. observed_mw: 21-27 kDa                                                                                                                                                                   |
| Tag                      | N-His                                                                                                                                                                                                             |
| NCBI                     | <a href="#">525126</a>                                                                                                                                                                                            |
| UniProt                  | <a href="#">Q8WXI8</a>                                                                                                                                                                                            |
| Expression System        | HEK293 Cells                                                                                                                                                                                                      |
| Reinheit                 | > 92 % as determined by reducing SDS-PAGE.                                                                                                                                                                        |
| Formulierung             | Lyophilized from sterile PBS, pH 7.4Normally 5% - 8% trehalose, mannitol and 0.01% Tween 80 are added as protectants before lyophilization.Please refer to the specific buffer information in the printed manual. |
| Sequenz                  | Gly 52-Asn 215                                                                                                                                                                                                    |
