Product Datasheet

Recombinant Human NKG2D/CD314 Protein (aa 78-216, His Tag) ELA-PKSH031517

Artikelname	Recombinant Human NKG2D/CD314 Protein (aa 78-216, His Tag)
Artikelnummer	ELA-PKSH031517
Hersteller Artikelnummer	PKSH031517
Alternativnummer	ELA-PKSH031517-1MG,ELA-PKSH031517-100UG
Hersteller	Elabscience
Kategorie	Proteine/Peptide
Applikation	ELISA
Spezies Reaktivität	Human
Molekulargewicht	calculated_mw: 18.4 kDa
Tag	N-His
NCBI	031386
UniProt	P26718
Expression System	Baculovirus-Insect Cells
Reinheit	> 90 % as determined by reducing SDS-PAGE.
Formulierung	Lyophilized from sterile 20mM Tris, 500mM NaCl, pH 8.0, 10% glycerolNormally 5% - 8% trehalose, mannitol and 0.01% Tween 80 are added as protectants before lyophilization.Please refer to the specific buffer information in the printed manual.
Sequenz	Phe78-Val216
