| Artikelname              | Recombinant Human Interleukin-15/IL-15 Protein                                                                                                                                                                    |
| Artikelnummer            | ELA-PKSH033630                                                                                                                                                                                                    |
| Hersteller Artikelnummer | PKSH033630                                                                                                                                                                                                        |
| Alternativnummer         | ELA-PKSH033630-100UG,ELA-PKSH033630-20UG                                                                                                                                                                          |
| Hersteller               | Elabscience                                                                                                                                                                                                       |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                  |
| Applikation              | Cell Culture                                                                                                                                                                                                      |
| Spezies Reaktivität      | Human                                                                                                                                                                                                             |
| Molekulargewicht         | calculated_mw: 13.7 kDa. observed_mw: 13 kDa                                                                                                                                                                      |
| Tag                      | N-His                                                                                                                                                                                                             |
| NCBI                     | <a href="#">40933</a>                                                                                                                                                                                             |
| UniProt                  | <a href="#">P40933</a>                                                                                                                                                                                            |
| Expression System        | E.coli                                                                                                                                                                                                            |
| Reinheit                 | > 95 % as determined by reducing SDS-PAGE.                                                                                                                                                                        |
| Formulierung             | Lyophilized from sterile PBS,pH 8.0.Normally 5% - 8% trehalose, mannitol and 0.01% Tween 80 are added as protectants before lyophilization.Please refer to the specific buffer information in the printed manual. |
| Sequenz                  | Asn49-Ser162                                                                                                                                                                                                      |

|                  |                      |
|------------------|----------------------|
| Target-Kategorie | Interleukin-15,IL-15 |
