## Product Datasheet

### Recombinant Human HLA-A\*0201 GP100 complex Protein (C-Avi-10His) Biotinylated ELA-PKSH034058

Artikelname	Recombinant Human HLA-A*0201 GP100 complex Protein (C-Avi-10His) Biotinylated
Artikelnummer	ELA-PKSH034058
Hersteller Artikelnummer	PKSH034058
Alternativnummer	ELA-PKSH034058-100UG,ELA-PKSH034058-20UG
Hersteller	Elabscience
Kategorie	Proteine/Peptide
Spezies Reaktivität	Human
Konjugation	Biotin
Molekulargewicht	calculated_mw: 50.9 kDa. observed_mw: 55-60 kDa
Tag	C-Avi-His
NCBI	<a href="#">61769</a>
UniProt	<a href="#">P61769</a>
Expression System	HEK293 Cells
Reinheit	> 95 % as determined by reducing SDS-PAGE.
Formulierung	Lyophilized from a 0.2 µm filtered solution of 20mM PB, 500mM NaCl, pH 7.4. Normally 5% - 8% trehalose, mannitol and 0.01% Tween 80 are added as protectants before lyophilization. Please refer to the specific buffer information in the printed manual.

Sequenz	Ile21-Met119&Gly25-Ile308
Target-Kategorie	B2M,HLA-A
