Product Datasheet

Recombinant Human Transforming Growth Factor Beta-1/TGFB1 Biotinylated ELA-PKSH034059

Artikelname	Recombinant Human Transforming Growth Factor Beta-1/TGFB1 Biotinylated
Artikelnummer	ELA-PKSH034059
Hersteller Artikelnummer	PKSH034059
Alternativnummer	ELA-PKSH034059-100UG,ELA-PKSH034059-20UG
Hersteller	Elabscience
Kategorie	Proteine/Peptide
Applikation	Cell Culture
Spezies Reaktivität	Human
Konjugation	Biotin
Molekulargewicht	calculated_mw: 14.6 kDa. observed_mw: 12-18 kDa
Tag	N-Avi
NCBI	01137
UniProt	P01137
Expression System	HEK293 Cells
Reinheit	> 95 % as determined by reducing SDS-PAGE.

Formulierung	Lyophilized from a 0.2 µm filtered solution of 50mM Glycine-HCl, 150mM NaCl, pH2.5. Normally 5% - 8% trehalose, mannitol and 0.01% Tween 80 are added as protectants before lyophilization. Please refer to the specific buffer information in the printed manual
Sequenz	Ala279-Ser390
Target-Kategorie	TGFB1
