| Alternativnummer         | ELA-PKSH034149-100UG,ELA-PKSH034149-20UG                                                                                                                                                                           |
| Hersteller               | Elabscience                                                                                                                                                                                                        |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                   |
| Applikation              | Cell Culture                                                                                                                                                                                                       |
| Spezies Reaktivität      | Human                                                                                                                                                                                                              |
| Molekulargewicht         | calculated_mw: 22.0 kDa. observed_mw: 22 kDa                                                                                                                                                                       |
| Tag                      | C-His                                                                                                                                                                                                              |
| NCBI                     | <a href="#">11487</a>                                                                                                                                                                                              |
| UniProt                  | <a href="#">P11487</a>                                                                                                                                                                                             |
| Expression System        | E.coli                                                                                                                                                                                                             |
| Reinheit                 | > 95 % as determined by reducing SDS-PAGE.                                                                                                                                                                         |
| Formulierung             | Lyophilized from sterile PBS, pH 7.4.Normally 5% - 8% trehalose, mannitol and 0.01% Tween 80 are added as protectants before lyophilization.Please refer to the specific buffer information in the printed manual. |
| Sequenz                  | Asp 28-Arg 212                                                                                                                                                                                                     |
