| Artikelname              | Recombinant Mouse TNFRSF19/TROY Protein (His Tag)                                                                                                                                                                 |
| Artikelnummer            | ELA-PKSM040839                                                                                                                                                                                                    |
| Hersteller Artikelnummer | PKSM040839                                                                                                                                                                                                        |
| Alternativnummer         | ELA-PKSM040839-100UG                                                                                                                                                                                              |
| Hersteller               | Elabscience                                                                                                                                                                                                       |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                  |
| Spezies Reaktivität      | Mouse                                                                                                                                                                                                             |
| Molekulargewicht         | calculated_mw: 17 kDa. observed_mw: 25-32 kDa                                                                                                                                                                     |
| Tag                      | C-His                                                                                                                                                                                                             |
| NCBI                     | <a href="#">001157627</a>                                                                                                                                                                                         |
| UniProt                  | <a href="#">Q9JLL3</a>                                                                                                                                                                                            |
| Expression System        | HEK293 Cells                                                                                                                                                                                                      |
| Reinheit                 | > 95 % as determined by reducing SDS-PAGE.                                                                                                                                                                        |
| Formulierung             | Lyophilized from sterile PBS, pH 7.4Normally 5% - 8% trehalose, mannitol and 0.01% Tween 80 are added as protectants before lyophilization.Please refer to the specific buffer information in the printed manual. |
| Sequenz                  | Met 1-Leu 170                                                                                                                                                                                                     |
